

November Newsletter

Dear Liturgical Ministers,

We are still looking for sacristans especially for the **10:30 Sunday** mass. Please let us know if you are interested! We also continue to have a need for Eucharistic Ministers for the 7:00AM daily mass. Please consider these ministries.

Mary received a new computer that runs much more efficiently! ***However, during the transition all of our scheduling data from 2009 was lost.*** She went through all of the sign-up sheets for all ministers that signed up in 2009, and went back four months in paperwork to try to ensure that updates were restored. With all of this, there is a possibility that we have made scheduling errors. Please let us know ASAP and we will work to correct those changes.

The unavailability sign-up sheets for **December** are posted in the servers' sacristy. They will be removed on the morning of **November 9th** and the process for scheduling December 2009 will begin. We are still receiving requests after the list has been removed. Please adhere to this date for letting us know via email and phone calls as well. We will not be able to make changes after that date.

Please call or email us if you have any questions or if we are not scheduling according to your needs. Thank you for keeping us well informed.

Blessings,

Mary Daniel & Katie Severns
